

# THE DC STREETCAR PROGRAM WHAT'S NEW

## 1 H Street/Benning Road Opened on February 27, 2016

## 2 Benning Extension Public Hearing Thursday May 19, 2016

## 3 Union Station to Georgetown

**Joint Lead Agencies:** Federal Transit Administration joins Federal Highway Administration as a joint lead agency

**High-Quality Service:** Focus on frequent high-capacity service

**New Alternative 4:** Maximize use of dedicated lanes for faster and more reliable service

**Dropped Alternative 3:** Eliminate concept with streetcars operating in service lanes along K Street that would have slow service and high capital costs

**Propulsion and Stop Design Concepts:** Explore on-board battery based re-charging integrated into stop canopy system as propulsion alternative
