

ELEMENTS OF ALTERNATIVE 4 GEORGETOWN TO WASHINGTON CIRCLE

New Loop Ramp Concept WB K Street at 27th Street

- Eliminate left turns by constructing new one-lane loop ramp from WB K Street to SB 27th Street
- New signal at I-66 ramp / 27th Street intersection
- Construct within DDOT right-of-way

- ### Roadway Changes
- Dedicated lanes for streetcar
 - Two travel lanes per direction between 27th and 25th Streets
 - Single lane in each direction for vehicle travel under Washington Circle
