As part of the ongoing Benning Road and Bridges Transportation Improvements Environmental Assessment (EA), the Benning Road Reconstruction and Streetcar Project will produce preliminary design concepts with improvements that safely and efficiently accommodate all modes of transportation.

The purpose of this open house is for DDOT to provide a brief overview of the project and receive public input.

Key Project Elements

Bridge and roadway rehabilitation and replacement

Pedestrian and bicyclist safety enhancements

Streetcar end of line at Benning Road Metrorail station

Interchange modifications at DC-295/Benning Road ramps

Center-running streetcar

Safety and streetscape improvements
